4. **Adoption of June Minutes**- correction to item 10. INOVA Alexandria – made resubmitted to webmaster for posting.

5. **President's Report: Erin Reeve-**

- In June, the delegate applications were reviewed, and the list was compiled. Unfortunately, some applications were incomplete. I ask you for next year to PLEASE fill in all the blanks. Next year, Janice should not have to hunt for your information. Two of the original 19 delegates had to back out, so we have 17 delegates.
- I attended the Alexandria Plan Celebration (in my home town) as the state president representative. We had the local chapter, the state, and national ENA presidents all attend. It was an awesome event, and we learned how all 24 hour programs were derived from the Alexandria Plan, including the specialty of Emergency Medicine and ACEP. Thanks to Vanessa Johnson to help with this event, and the invitations.
- If you haven't heard, **congratulations** are in order for Cathy Fox, to the EMSC Governor's Advisory Board position.
- Congratulations to **Cindy Hearrell** for winning the **Gail P. Lenahan Advocacy Award**, and **Cathy Fox, for the Barbara Foley Injury Prevention Award**.
- **Renee Farmer** will be attending the Government Affairs Workshop in Washington, DC in 2012. The state Council will cover her travel costs, with limitations, as per usual.
- The Student Nurses Convention will be in Charlottesville Feb. 4, 2012. This will be discussed at a later date.
- ENA has adopted the new procedures. They are available online. Changes may affect our procedures, so they need to be compared. That item will be addressed in the near future.
- The State president's conference call was August 18th. Anne Marie Papa discussed the procedure for the selection of the new Executive Director. Since that call, Susan Hohenhaus has been named

as the new executive director of ENA. I'm sure we will see her in Tampa and be able to congratulate her personally.

- There will be new areas at the conference in Tampa. The "Discovery Pavilion" replaces the ENA Resource Center. They will have a place set up for flyers to be available for all. All flyers should be given to Kari Zick or Yuen Atkins at the conference; Literature Rack for state and chapter leaders; A memorial area will be set up to view the tape.
 - ENA has assured us that Tampa is very walk-able. ENA should be sending out restaurant info for the local area.
 - I have received an attendee list for VA. So far, I have 72 on the list.
 - ENA has assured us that hotel space will be available for ENA members in New Orleans for Leadership Sunday through Thursday at the conference rates if you want to attend Mardi Gras. Will be at the Astor-Crown Plaza Hotel on Bourbon & Canal Streets or the Monte Leone on Royal. Booking starts in October.
 - Make sure all 990's are sent to Component Relations.
 - The ENAF has a new 9-11 Memorial Fund. They are requesting contributions for this fund to grant monies to a rescue worker pursuing a career in nursing.
 - The first Lantern Award winners have been announced. Only one hospital in VA received the award; Bon Secours in Mechanicsville, VA. Congratulations are in order for this exceptional ED.
- ❖ At our October meeting, **Del. Chris Stolle, MD**, will be joining us for lunch. VENA will be thanking him with an award for his contribution to ED nurses for authoring and the passage of HB1690. The new law is already being tested in the courts. Cathy told me about a case in VA Beach, and I also know of one in Winchester. It is not definite about another guest, but we are trying to get Governor Robert McDonnell to attend, as well.
- The October meeting will be sponsored by Novo Nordisk, with a program on bleeding disorders. Will make sure this does not interfere with our special guest(s) in any way.
6. **Treasurer's Report:** Tom Earnest – BALANCE- 36,571.99 Updated excel spread sheet will be attached in October.
 7. **ENA Board of Directors Update:** Matt Powers reiterated many of Erins notes. Please pay attention to State/Chapter Procedures to move forward. Discussion re: opening up ENPC to LPN's and pre-hospital providers.
 8. **HB 1690 Update:** Mary Menafr- poster design estimated cost of 300.00 to be split up between the groups- ideas for dissemination surround electronic presentations. Many ED waiting rooms use large screen TV's to provide information to public.
 9. **Election Update:** Janice McKay – will be sent out electronically after General Assembly- we will use a survey monkey tool.

Reports from Cathy Fox- September 2011

Education: ENPC held 2 classes over summer July 8-9, 2011 and August 19-20, 2011 very small classes but still held because people had taken off, This past summer Loretta and I also had 4 for TNCC Instructor and 3 for ENPC Instructor Loretta is now IT Faculty for both courses, WE have 1 more ENPC for Tidewater at Riverside November 18-20, 2011.

TNCC Loretta has had 2 classes this summer June and August of 2011 both Full, Our November 5-6, 2011 class in Full and already 10 people for December 3-4, 2011 at Maryview Medical Center. We will also try and do an Instructor class in December for TNCC and ENPC Dec 17/18 at Maryview.

CEN review will do a Sentara sponsored CEN Review in October for emergency nurses week, unsure if we will open to outside people it depends on space. I am teaching a CPEN and CEN Review in Fayetteville, NC (4 hours away) October 1-4, 2011. Don't forget entire month of October [CEN25](#) coupon is good for anyone who registers for exam it will cost only 195 for ENA members. You then have 90 days to sit for exam.

ENCARE: Get It Together High School Seat Belt Challenge is still getting schools to sign up will keep informed if we need liaisons not to much work help with seat belt checks of high school students we have 15 schools signed up this year, hopefully more will join by end of next week deadline, Have done 2 more GASP presentations and will edit GASP filmed at Tidewater ENA meeting in October of 2011 at EMSC meeting.

EMSC for Children met July 7th in Richmond will forward minutes when received prior to next meeting October 20, 2011.

August 19, 2011 Press Release on Governors website of my formal acceptance to the EMS Advisory Board for the Commonwealth first meeting will be at the EMS symposium.

Pilot program for BCEN on license renewal exemption if an RN is certified Va Nurses Association has tabled until 2012-2013, currently the Commonwealth has no plans to require CE for licensure renewal they were very positive about accepting an RN's certification hours since most certification require more than the standard 12-24 hours by most states.

SESS still on target for May 2-6, 2012 at Sheraton Norfolk Waterside 119 city/139 waterview room rates. Have firmed up opening speaker 2012 ENA President and Genral session Saturday and Closing speaker on Sunday. proposals being accepted until October 31, 2011 by rujae@musc.edu go to SESS website for information:

www.southeasternseboardsymposium.com Site Visit for Committee is October 15-16, 2011 (same date at Susan G Koman--don't worry Janice I will still donate and be member of Tidewater team. Kathy updates that many states have petitioned to pull out of SESS in fear of financial loss. Hired a tax attny, to revisit and ultimately re-file taxes for the past 7 years. SESS has a new executive board and have separated from the states to protect them from any potential future financial issues. Questions: Can a state non-profit support SESS which is becoming a private entity. Question will go to our accountant.

Lastly October 14, 2011 I have CONFIRMED Del. Chris Stolle MD will be in attendance at our October VENA meeting being held at Sentara Williamsburg Hospital, Williamsburg, Va Governor Bob McDonnall may also attend and the media has been invited, I will no more by the Tuesday meeting in Richmond. We will present Del Stolle with a VENA Sponsorship Award (Plaque) for diligence and determination assisting Emergency Department Healthcare Providers in the passage of HB 1690 , I want to have it dated April 5, 2011 (the official date of the signing). Ideas for what to write on the plaque welcomed. Will order as soon as we decide and send picture to everyone via e-mail

Nominations Committee: Have already had 2 conference calls regarding Bylaw changes that will be presented at 2011 General Assembly.

Lots happening

New Sentara Nightingale Regional Air Ambulance Christened, Fund-Raising Campaign Exceeds Goal

By Dale Gauding, Sentara Corporate Communications

Mary Blunt, President of Sentara Norfolk General Hospital, smashes a bottle of sparkling cider to christen the new Nightingale. Looking on are Bob Hart (left) chair-elect of the Sentara Board of Directors and Leonard Wheeler, MD, medical director of the 2008 trauma program and a professor at UNMC.

It was already hot at 9:00am on Friday, July 1st when the new Nightingale Regional Air Ambulance staged a dramatic, noisy arrival for former patients, EMS personnel and other invited guests at Sentara Norfolk General Hospital.

The occasion was the christening of the Eurocopter EC-145 replacement for the program's 25-year-old aircraft and a milestone announcement about the Saving Minutes, Saving Lives fundraising campaign. The figure announced was \$3,502,480, just over the fundraising goal of \$3.5 million.

Honor Them – Stay Prepared!

By Judith Shuck, MMRS Mass Casualty Preparedness Coordinator

On September 11 the nation will reflect on the 10th anniversary of the horrors of the three, almost simultaneous, terrorist attacks at the World Trade Center in New York City, the Pentagon in Arlington, Virginia, and in a field in Shanksville, Pennsylvania. A total of 2,996 people were murdered that day. The victims include 343 firefighters, 60 police officers, and 15 emergency medical technicians. An additional 2,000 first responders were injured in the attacks.

EMS Fleet Assists With Hospital Move

By Dale Gauding

Ambulances from a variety of agencies participated in a major relocation of Sentara programs in Virginia Beach on Thursday, August 4, 2011.

Volunteer squads from across Virginia Beach were involved in the relocation of Labor & Delivery and neonatal intensive care (NICU) programs from Sentara Virginia Beach General Hospital to the new Sentara Princess Anne Hospital near the amphitheater. Squads included Ocean Park, Kempsville, Plaza, Ocean Park, Creeds, Princess Anne and Sandbridge. The Virginia Beach Fire Department also offered support and volunteers from the Citizens Emergency Response Team (CERT) directed traffic.

Nurses Address Workplace Violence in Emergency Departments

By Janice McKay, RN, CEN, CFRN
 President-Elect Virginia State Council of the Emergency Nurses Association

Emergency nurses face the risk of workplace violence on a daily occurrence. Studies show that Emergency nurses are vulnerable to work-related violence; incidents of nurses being verbally abused, threatened, harassed, intimidated or physically harmed and this makes emergency departments a dangerous work setting for healthcare providers. A study done by Emergency Nurses Association (ENA) found that more than half of emergency nurses, who responded to a survey, reported physical violence on the job which included being "spit on", "jumped", "hit", "pushed or shoved", "scratched" and even "kicked".

Nurses have a greater risk of being a victim of workplace violence because of their direct contact with patients or their families when they are stressed by illness or injury. Emergency departments have the potential for volatile patients who may be under the influence of alcohol or drugs and a history of mental health illnesses. Other factors that can escalate into violence for healthcare personnel are long waits for service in emergency departments, overcrowded waiting rooms, inadequate security, and an increase in gangs or violent crimes.

Although many hospitals have programs in effect to prevent workplace violence – training workers in recognizing and managing conflict before it arises, encouraging situational awareness for potential violence outbreaks – violence can occur despite measures taken to prevent violent outbreaks.

Many cases of assault go unreported because of the absence of institutional reporting policies, feelings that assaults are part of their job or the belief that reporting will not benefit them since there is no law to protect them. The ENA supports public policies that mitigate and deter acts of violence in the emergency department. Because of this, the ENA Virginia State Council's Government Affairs Committee began to heighten the awareness of state legislators regarding workplace violence in emergency departments. The goal of the Government Affairs Committee was to pursue legislation making assault of emergency health care providers a felony offense punishable as determined by the law. Until July 1, 2011, the assault statute only protected fire, police and emergency medical service personnel, but not nurses.

Virginia Beach Delegate Christopher Stolle sponsored a bill to protect emergency healthcare providers in emergency rooms of a hospital or clinic. The bill passed and Virginia State Council Nurses were present on April 5, 2011 as Governor McDonnell signed the House bill, VA HB 1690, which goes into effect on July 1, 2011. This bill provides that the punishment for battery of a health care provider who is engaged in the performance of his/her duties as an emergency health care provider in an emergency room of a hospital or clinic or on the premises of any other facility rendering emergency medical care is a Class 1 misdemeanor, including a term of confinement of 15 days in jail, two days of which shall be mandatory minimum term of confinement.

The Virginia State Council of the Emergency Nurses Association views this as a major success in protecting our nurses and emergency healthcare providers in the emergency care setting. The bill will not eliminate workplace violence but may aid in decreasing the violence in our emergency departments with perpetrators knowing there is a penalty for assaulting an emergency nurse or emergency healthcare provider.

Committee Meeting Schedule (day/time):

Recent or Planned committee activities:

Time frame-----Jan 1, 2011--September 9,2011

TNCC provider classes-----30 total
27 reported , No paperwork received on 3 classes as of this report.

TNCC participants-----344 reported.
This number not up to date as all paperwork not in.

TNCC Instructor classes----6 total
5 reported. No paperwork received on 1 class as of this report.

TNCC New Instuctors----- 14 reported.
This number not up to date as all paperwork not in.

Any specific committee related activity not addressed further on the report: N/A

Other pertinent information to be relayed to ENA members:

After the last State Chairs conference call in August from National, Loretta and I agreed that in addition to the usual paperwork required to be sent to the state chair for the state records, that we would also like copies of the participant's Cv's, resumes, or participant data forms. In case there is ever an audit, we would like the data to be in both areas-- the state files and the course director's files.

We appreciate all the hard work and time course directors and instructors are giving to the educational needs of our Virginia nurses.

With the number of remaining classes I see on the calendar (and some that have not been posted), I believe we are in line to make budget. Now that is indeed a bit of happy news!

Thank you.

Name of Committee: Membership

Name of person reporting: Pat O'Donnell

Recent or Planned committee activities:

- 1. There are presently 1356 members as of Sept 10, 2011.**
- 2. Finally got welcome letters out to all new members from April to July 2011—101 member letters went out on August 23. Had one letter back from a new member who said that he never recd anything from National. Sent that note to Judi Cruse and she has been in contact with him already. Also had quite a number of people assigned to 117 (Northern VA) who really don't belong in that chapter. I emailed Erin, Mary and Cindy to look at the list cause they are people that probably should be in their chapter. Already heard from Mary and her members have been changed to 118 (emailed National on 9/10). I will send out the spreadsheet to all of the chapter presidents as soon as I get chapter 117 fixed.**
- 3. Also went through membership list and assigned the members that were not assigned to a chapter and sent that to Yuen at National on 9/10/11. There were 23 of them that now have been assigned.**
- 4. There are 9 or 10 new members for the month of August and their letters will be out before the end of this month.**
- 5. We also had a conference call with membership chairpeople around the country and it was the first meeting so it was very informal. Judi said that she plans to have them set up quarterly and she has sent us a sample of the packet via email of what new members receive. Will keep you posted about these conference calls.**
- 6. I sent a note to Tommy with my bills for stamps. Find out from Tommy if he recd this note. I know that I sent something to my chapter and now confused if I sent the one to VA ENA. Please let me know.**
